Shipping Costs and Payment:

Shipping costs: We will calculate shipping costs after we receive our updated rates in January. You will receive your invoice that includes shipping costs at that time. It is likely shipping costs will be similar to 2017.

Deposits and Fees: We require a 25% deposit for all orders to be held after April 15th. Deposits will be accepted after your order is finalized with the shipping cost in January. Any order that has not been secured by the 25% deposit by April 15th may be reduced, cancelled and/or the product made available to other customers and is subject to a \$25 per tray restocking fee. Any reductions and/or cancellations made to an order after April 15th will also be subject to the same \$25 per tray restocking fee.
